

"Long Time Gone"

It's been a long time comin'
It's goin' to be a long time gone

And it appears to be a long
Appears to be a long
Appears to be a long time
Yes, a long, long, long, long time before the dawn

Turn turn any corner
Hear you must hear what the people say
You know there's something that's goin' on around here
The surely, surely, surely won't stand the light of day, no

And it appears to be a long
Appears to be a long, mmm
Appears to be a long time
Such a long, long time before the dawn

[Instrumental (Electric Guitar)]

Speak out you got to speak out against the madness
You got to speak your mind if you dare
But don't, no don't, no, try to get yourself elected
If you do you had better cut your hair, mmm

And it appears to be a long
Appears to be a long, mmm
Appears to be a long time
Such a long, long, long, long time before the dawn

It's been a long time comin' (Long time comin')
It's goin' to be a long time gone (Long time gone)

But you know
The darkest hour
Is always, always just before the dawn

And it appears to be a long
Appears to be a long
Appears to be a long time
Such a long, long, long, long time before the dawn
